NEXT GATHERING: SUNDAY, JUNE 14, 2009 AT DURAND, WI FIELD. Lifetime AAA member Ron Hurlburt has invited WI AAA and MAAC for a lunch/meeting on Sunday, June 14. Eat around 11-12, informal meeting after. Durand (Ident WI25) is on the Green Bay Sectional, on the Chippewa River. 780' elevation, north/south, 2800' asphalt runway, no cross runway, but Ron said that if he can mow the hay, there will be grass marked with cones next to the runway. Private, no services, but there are two “baths,” no showers, for those who would like to fly in on Sat. and camp over for Sunday. Hamburgers and chips for lunch on Sunday. Ron and his sons have a 5,000 acre farm and raise beef. Should be good burgers! Bring your own tie downs if you plan to camp over. National Arrowhead Museum is nearby. 12 miles to Waubesa and the AmericInn Motel. Ron said if someone wants to stay at the motel on Sat. evening, he will find transportation to Waubesa for them. AAA Headquarters is sending a “Headquarters Choice” plaque for us to choose a memorable attendee. Ron would like to know approximately how many might attend, weather permitting. Please e-mail or call me if you plan to attend. Jay Baeten is putting this in the MAAC newsletter and asking for responses as well. Jay’s phone: 920-227-7454. **PLEASE NOTE: Ron said that if the weather turns bad, he will have to cancel. No facilities for shelter.**
